NEW CITY CATECHISM, PART II

Room 403 (Facilitators: Chak Lee, Calvin Wong)

Throughout the history of the church, Christians have used catechisms—collections of questions and answers designed for memorization and recitation—to teach others the core doctrines of the faith. The New City Catechism is a modern-day resource that lays out 52 questions and answers related to God, human nature, sin, Christ, the Holy Spirit, and more. Each session will be a Bible study framed around one question and answer from the catechism.
