ADULTS

CONFRONTING CHRISTIANITY

Room 403 (Facilitator: Chak Lee)

Confronting Christianity explores 12 questions that keep many of us from considering faith in Christ. Look more closely at these questions, and the reality of suffering, the complexity of sexuality, the desire for diversity, the success of science, and other seeming roadblocks to faith become signposts. Jesus becomes not a relic from the ancient world, but our modern world's best hope.

WOMEN'S LIFE GROUP

Room 402 (Facilitator: Grace Tong)

MEN'S LIFE GROUP

Room 400 (Facilitator: Isaac Tong)

Both the Women's and Men's Life Groups will be going through *The Meaning of Marriage*.

Modern culture would have you believe that everyone has a soul mate, that romance is the most important part of a successful marriage, that your spouse is there to help you realize your potential, that marriage does not mean forever, but merely for now, and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious.
