### **DELIGHTING IN THE TRINITY**

Room 403 (Facilitator: Kevin Do)

Why is God love? Because God is a Trinity. Why can we be saved? Because God is a Trinity. How can we live the Christian life? Through the Trinity. In this lively book, we find an introduction to Christianity and the Christian life that is from start to finish rooted in our triune God—Father, Son and Spirit. Not only do we understand the person and work of Christ through the Trinity, but also prayer, the church and every aspect of our faith.

### **WOMEN'S LIFE GROUP**

Room 402 (Facilitator: Grace Tong)

### **MEN'S LIFE GROUP**

Room 400 (Facilitator: Isaac Tong)

Both the Women's and Men's Life Groups will be continuing to go through *The Meaning of Marriage*.

Modern culture would have you believe that everyone has a soul mate, that romance is the most important part of a successful marriage, that your spouse is there to help you realize your potential, that marriage does not mean forever, but merely for now, and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious.

### MEN'S LIFE GROUP

Both the Women's and Men's Life Groups will continue to go through *The Meaning of Marriage*.

This book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible, and is essential reading for anyone who wants to know God and love more deeply in this life.

### 8TH-12TH GRADE SUNDAY SCHOOL

Facilitator: Randy Nguyen (Room 405)

Got Questions? -- Continued

Have you ever had a question but never had a chance to ask? About the Bible? About life? Or questions about the things you've seen or heard in the world around us? There were many great questions that were asked last quarter that we were able to take a look at, but there are still questions that have been left unanswered. So we will continue to look at those unanswered questions and any others that you have had since then.

### 6TH & 7TH SUNDAY SCHOOL

Teacher: Karen Do (Room 404)

Book: *Diving into His Word*

Reading the Bible is an important aspect for anyone who believes in God. For the Bible is God's word that He left for us to know who He is, what He has done and His redemptive plan for the world. But understanding and studying what you read in the the Bible on can be difficult when you don't know what to do or where to begin.

This quarter we'll be learning and developing techniques that will help you understand and study what you read in Scripture. And we'll apply these techniques directly looking at passages in the New Testament.
